

Palm Beach-Martin Counties Chapter

Military Officers Association of America

A PERSONAL INVITATION TO JOIN YOUR LOCAL CHAPTER

Dear Fellow Officer,

I invite you to join the Palm Beach-Martin Counties Chapter of the Military Officers Association of America. Whether you are serving today, have left military service, or are retired, your experience and your commitment to others have a place in our chapter.

If you already belong to national MOAA, I hope you will take the next step and get involved locally. Our chapter offers camaraderie with a purpose, bringing officers together for fellowship and service while adding our grassroots voice to MOAA's national advocacy for the uniformed services community.

Here in Palm Beach and Martin counties, we support JROTC and award scholarships to high school students. We share fellowship with veterans through ice cream socials at the VA, take part in community activities, and support MOAA's Advocacy in Action initiatives.

Those activities offer a practical way to keep serving, meet people with a shared background, and help someone close to home. You can participate in the activities that interest you and learn more about our chapter before deciding to join.

I would be pleased to welcome you at a chapter gathering. Email moaapalmbeach@gmail.com or complete the enclosed interest form to request an invitation and chapter membership details.

With respect,

Marc Oliveri
